### TERMINAL DISCLAIMER

**Mail Stop Amendment**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The owner, Stanley Security Solutions, Inc., certifies that it is the assignee of the entire right, title, and interest in the patent application identified above and in U.S. Patent No. 6,668,606 by virtue of an Assignment from the inventors to Best Access Systems as recorded in the records of the U.S. Patent and Trademark Office beginning at Reel/Frame 010243/0196 (this assignment is the assignment by the inventors of the U.S. Patent Application Serial No. 09/287,981, now U.S. Pat. No. 6,442,986, which is the parent application to the '606 patent and to the present application), by virtue of Best Lock Corporation being registered to do business under the name Best Access Systems as evidenced by the Certificate of Assumed Business Name attached hereto (which Certificate of Assumed Business Name is being transmitted separately for recordal at the Assignment Division of the U.S. Patent and

Trademark Office concurrently herewith), and by virtue of a name change from Best Lock Corporation to Stanley Security Solutions, Inc. as evidenced by the Certificate of Amendment attached hereto (which Certificate of Amendment is being transmitted separately for recordal at the Assignment Division of the U.S. Patent and Trademark Office concurrently herewith). Accordingly, the entire right, title, and interest in and to the present application and U.S. Patent No. 6,668,606 are each owned by Stanley Security Solutions, Inc.

Stanley Security Solutions, Inc., hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on this application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156, as presently shortened by any terminal disclaimer, of prior U.S. Patent No. 6,668,606. The owner hereby agrees that any patent so granted on this application shall be enforceable only for and during such period that it and U. S. Patent No. 6,668,606 are commonly owned. This agreement runs with any patent granted on this application and is binding upon the grantee, its successors, or assigns.

In making the above disclaimer, the assignee does not disclaim the terminal part of any patent granted on this application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 of U.S. Patent No. 6,668,606, as presently shortened by any terminal disclaimer, in the event that U.S. Patent No. 6,668,606 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction from which no appeal is, or can be, taken, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is an attorney of record by virtue of an Associate Power of Attorney submitted in U.S. Patent Application Serial No. 09/287,981, now U.S. Pat. No. 6,442,986, which is the parent application to the '606 patent and to the present application.

A check in the amount of \$110.00 to cover the fee for this Terminal Disclaimer is enclosed.

It is respectfully requested that, if necessary to effect a timely response, this paper be considered as a Petition for an Extension of Time sufficient to effect a timely response and that any shortages and other fees be charged, or any overpayment in fees be credited, to the account of Barnes & Thornburg, Deposit Account No. 10-0435, with reference to our file 3054-73432.

Respectfully submitted,

BARNES & THORNBURG LLP
